What makes our meetup group different ??

- We hold more events (2-3 per week!) of various themes
- Every event is a different theme and activity
- Everyone gets an equal chance to speak at every event. There is no vying for attention or to have the floor.
- We are constantly adding new and different themes
- Our events are organized and well run
- We do not allow participants to be judged, asked intrusive questions or abused in any way.
- There is never a charge for any event.

## Why charge dues??

- There is no charge for individual events. Instead, we ask for a once annual dues of \$5 which is due on Jan 1 and expires on Dec. 31 of each year.
- Dues help assuage some of the meetup expenses, which fall solely on the organizer.

## What does it cost to run a meetup group?

- ◆ Organizer subscription to meetup.com \$199 annually
- ◆ Pro Zoom subscription, \$192 annually
- ◆ Wine, beverages, snacks, paper goods, food, party supplies, miscellaneous....\$200 - \$400 annually

We ask only \$5 a year, of which only \$4.50 goes to me after paypal fees
